

**MINI SOCIAL NETWORK LOGIN SYSTEM + EMPLOYEE CRUD**

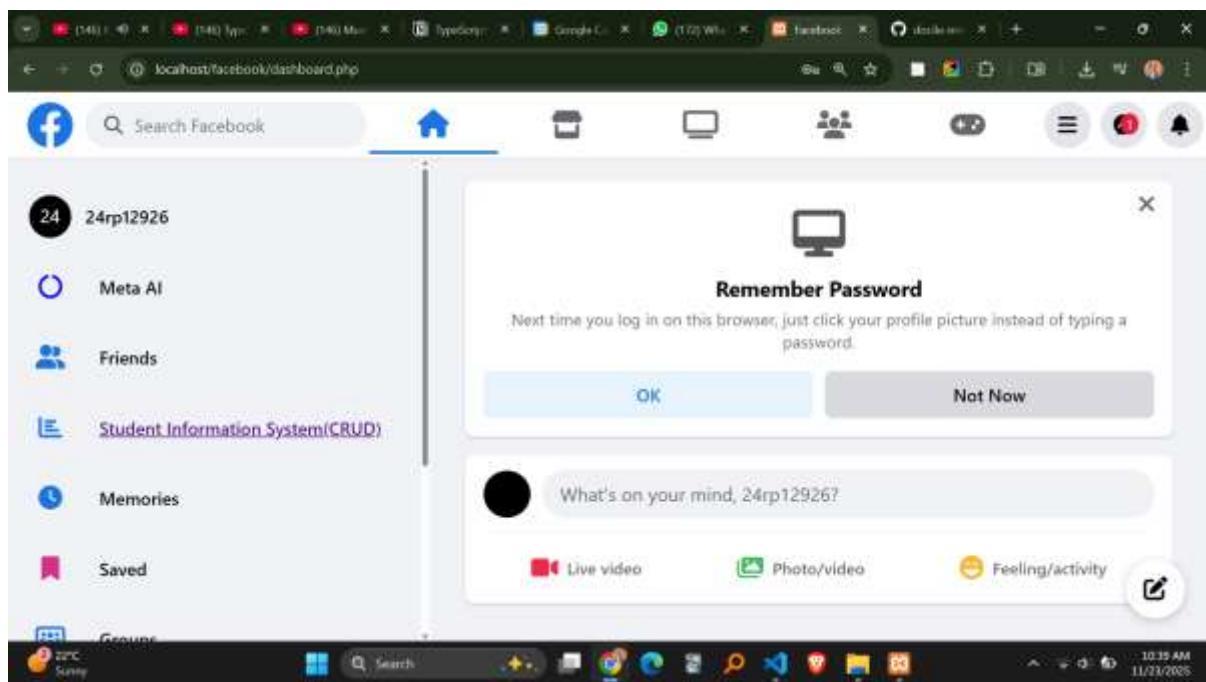

**Student Name: IMBEREYEMASO Docile**

**Registration Number: 24RP0672**

**Title: Report**

*This report implements a simplified social network login system (Facebook-style), including user sign-up, sign-in, Google login simulation, and redirecting to an Employee CRUD system. The interface matches the chosen platform style.*

The screenshot shows a web browser window with multiple tabs open. The active tab is titled "localhost/facebook/crud.php". The page has a header with a search bar and various icons. On the left, there's a sidebar with a profile picture, a name "24rp12926", and several menu items: "Meta AI", "Friends", "Student Information System(CRUD)", "Memories", and "Saved". The main content area features a green "Add new user" button. Below it is a table with the following data:

No	Full Names	Email	Action
1	Docile IMBEREYEMASO	rbinguyeneza@gmail.com	Edit Delete

The bottom of the screen shows a taskbar with various icons and the system clock indicating "10:45 AM 11/23/2025".
